Education

Rutgers University, School of Arts & Science

Major: Biology

Work Experience

CVS Pharmacy, Pharmacy Technician

February 2016-present

- Type, count and dispense 100+ medications weekly
- Communicate drug information and medical history with health care providers, insurance companies and patients to ensure safety and understanding
- Provide quality care while maintaining a friendly environment

Rajan Wellness Center, Medical Administrative Assistant

June 2017-present

- Greet patients and visitors in person and on the phone
- Schedule appointments and handle all paperwork and billing for patients
- Communicate relevant drug information with pharmacies and other doctors
- Maintain patient accounts by obtaining, recording, and updating personal and financial information
- Organize and maintain a clean, efficient, and confidential work area

Lab Experience

Sensory-Motor Integration Lab

May 2017-present

We seek to use the peripheral nervous systems as a proxy to unlock the volitional control of movements to bridge random actions to ones of intention and purpose. Our subjects include children with developmental differences from their normally developing peers, adults who have suffered brain injuries or have motor degenerative diseases, and typically developing adults of similar age groups.

Volunteer Experience

St. Peter's University Hospital

November 2012-present

- Deliver various equipment and water around the hospital
- Organize folders and file papers
- Work in the kitchen cleaning and organizing tray racks
- Create small crafts for patients
- Answer phone calls in the Pediatric Intensive Care Unit

Clubs and Activities

Circle K

January 2016-present

An international organization dedicated to fostering compassion and goodwill through volunteering while upholding these three tenets: leadership, fellowship, and service.

- As Large Scale Projects co-chair, plan and design two large events for college members to attend and help raise money for a chosen charity
- As District Service chair, work with other club officers to implement new service projects for all Circle K clubs in New Jersey to partake in
- Aid kids at Robert Wood Johnson's Children's Specialized Hospital in crafts and activities every Monday

- Volunteer at Elijah's Promise soup kitchen once a month
- Raise over \$100 for Rutgers Dance Marathon every year
- Lead a team in creating a scrapbook that documents the club's major events throughout the year
- Volunteer in various other large-scale and small projects

Peer Leadership Mentor

January 2017-June 2017

A leadership co-curricular experience that focuses on developing students' competencies in peer leadership and effective influence in order to properly represent, advocate, and lead their peers while developing an aptitude for critical analysis, social consciousness, and emotional intelligence by mentoring and engaging first year students

- Assigned 6 mentees through the First-Year Fellowship to help and guide throughout their first year at college
- Instructed a workshop for a First-Year Fellowship seminar
- Facilitated a service project for First-Year fellows
- Implemented a campus-wide event with a team to support first-years in their transition to college life
- Organized several meetings with my 6 mentees and other fellows to discuss their progress in college, academics, and personal growth

Seeking Success

September 2016-December 2016

- Chosen to be a part of a program dedicated to developing leadership skills such as professionalism, emotional intelligence, and public speaking
- Enhanced communication skills through workshops and several small activities
- Developed skills to work better in groups and identify people's strengths and weaknesses to create a better environment for people to work in

Certification

New Jersey Pharmacy Technician Certification, 08/2016
